

Help! I lost my Medicaid!

DID YOU

Go to the doctor or try to fill a prescription and find out you didn't have coverage?

Find out you were kicked off your Medicaid Managed Care plan?

Go to the doctor or try to fill a prescription and find you didn't have coverage?

AND

Find out your LINK card had no money or stopped getting cash assistance?

THEN CALL

Call the Illinois Redetermination Project Hotline: 1-855-458-4945

Call the Illinois Redetermination Project Hotline: 1-855-458-4945

Your local DHS office.

Why did this happen anyway?

You are required to prove that you still need Medicaid or All-Kids **every year**. This is your yearly “**redetermination**” or “**re-de**”. You will get letters in the mail telling you that your re-de is about to happen. It is important to respond by the letter's due date or you could lose coverage.
